10 **2. Status of Panel QME Reports in Workers' Compensation Case**

11 The Plaintiff received and served on Defendant Dr. Herrick's Panel QME  
 12 report in Neurology in the related workers' compensation case. Dr. Herrick's  
 13 report contained inconsistencies regarding impairment as to the cervical and  
 14 lumbar spine. While he found no lumbar spine injury, he provided an impairment  
 15 rating including the lumbar spine. Plaintiff has corresponded to him for  
 16 clarification as to whether the impairment he provided was for the lumbar spine  
 17 alone, or for the cervical and lumbar spines combined. If combined, we have  
 18 requested that he divide the impairment between the lumbar spine and the  
 19 cervical spine. He has 60 days from February 23, 2016 in order to respond to our  
 20 request. As a result, medical-legal discovery as to Neurology issues will not be  
 21 complete and Plaintiff's damages will not be determinable until after receipt of  
 22 Dr. Herrick's supplemental report.

23 The Plaintiff has not received Dr. Brian Jacks' psychiatric Panel QME  
 24 report to date. As the report was untimely, Plaintiff has objected to the report as  
 25 being non-compliant with the Labor Code and Regulations. Plaintiff will be  
 26 requesting the issuance of a replacement Panel QME list in psychiatry if Dr.  
 27 Jacks' report is not received by March 7, 2016. The replacement panel QME list  
 28 should be received within thirty to forty-five days from March 7, 2016, and a

1 another psychiatric Panel QME evaluation should be set within seventy-five (75)  
2 days of receipt of the receipt of the new Panel QME list.

3 In light of the foregoing problems with the workers' compensation Panel  
4 QME process, the parties stipulate to the vacation of the above listed time limits  
5 and hearing dates, and respectfully request that the Court order the vacation of the  
6 discovery cut-off dates, mandatory settlement conference date, expert witness  
7 disclosure and discovery cut-off dates, law and motion cut-off dates, pretrial  
8 conference date and trial date and set the matter for a further Case Management  
9 Conference.
